## About the RSC Library Accessions List

The Refugee Studies Centre (RSC) Library Accessions List is produced quarterly and contains details of new books, reports and other documents received by the RSC Library. It is available on the RSC website at <http://www.rsc.ox.ac.uk>, along with further information about the Library's resources and services. The Accessions List is also distributed in hard copy and by email. If you would like to be added to the mailing list please send contact details to [rsclib@qeh.ox.ac.uk](mailto:rsclib@qeh.ox.ac.uk).

Subject headings, or keywords, for each item are given at the end of each record, in italics. *Library of Congress Subject Headings* are listed first, followed by terms from the *International Thesaurus of Refugee Terminology* (<http://refugeethesaurus.org>), which are separated by a slash (/).

From 1 July 2004, all new material received by the RSC Library has been catalogued on OLIS, the union catalogue for Oxford University libraries. OLIS may be searched online at <http://www.lib.ox.ac.uk/olis>. Virtually all of the RSC Library's books are also on OLIS and the grey literature is currently being retrospectively catalogued on to OLIS. Until all the grey literature is added to OLIS, please continue to use the RSC Library web catalogue at <http://www.bodley.ox.ac.uk/rsc> to search for material acquired before 1 July 2004.
